

Dominion Post, Wellington, points section, p. C4, 2 March 2013

North Korea is a responsible member of the international community, or so Don Borrie (Letters, Feb 27) would like to have us believe, given his regular contributions to your newspaper as chairman of the NZ DPRK Society. I'd like to know how many members the society has, but suspect that when meetings are held, he's chairing an empty room.

John Morrow, Island Bay
